

ALEKSANDAR LILOV

With over 15 years of experience in successful management and development of an online store, I have demonstrated my skills as a capable professional. I am known for my dedication to continuous improvement and rapid acquisition of new skills. My passion for information technology has led me to JavaScript and React, where I feel comfortable and motivated to achieve high results. I am seeking an opportunity to work as a Front-End JavaScript / React developer, where I can utilize and enhance my skills, contributing to the successful development of the company I will be working with. With my extensive experience and proven success, I am confident in my ability to deliver high-quality results and contribute to the organization's growth.
